LEGISLATIVE COUNSEL'S DIGEST

AB 1330, as amended, Reyes. Park property: Ayala Park.

~~The Roberti-Z'berg-Harris Urban Open-Space and Recreation Program Act provides grants to cities, counties, and districts for recreational purposes, open-space purposes, or both, on the basis of population and need. The act requires the property acquired or developed with the grant money to be used by the grant recipient only for the purpose for which the grant moneys were requested and prohibits any other use of the area except by a specific act of the Legislature. Existing law generally provides that a recreation and park district may acquire any real or personal property within or outside the district, to hold, manage, occupy, or dispose of, as provided.~~

*The California Park and Recreational Facilities Act of 1984 authorizes the issuance of bonds for the purpose of providing funds to counties, cities, and districts for the acquisition, development, rehabilitation, or restoration of real property for park, beach, recreational, or historical resources preservation purposes. The act prohibits the use of the grant funds unless the applicant has agreed to certain conditions, including, but not limited to, using the property only for the purposes for which the grant was made and making no other*

*use or sale or other disposition of the property, except as authorized by a specific act of the Legislature.*

*The Safe Neighborhood Parks, Clean Water, Clean Air, and Coastal Protection Bond Act of 2000 (the Villaraigosa-Keeley Act) authorizes the issuance of bonds for the purpose of financing a program for the acquisition, development, improvement, rehabilitation, restoration, enhancement, and protection of park, recreational, cultural, historical, fish and wildlife, lake, riparian, reservoir, river, and coastal resources, as specified. The act prohibits the use of the grant funds unless the applicant has agreed to certain conditions, including, but not limited to, using the property only for the purposes for which the grant was made and making no other use or sale or other disposition of the property, except as authorized by a specific act of the Legislature.*

*The Roberti-Z'berg-Harris Urban Open-Space and Recreation Program Act provides grants to cities, counties, and districts for recreational purposes, open-space purposes, or both, on the basis of population and need. The act requires the property acquired or developed with the grant money to be used by the grant recipient only for the purpose for which the grant moneys were requested and prohibits any other use of the area except by a specific act of the Legislature.*

*The Community Parklands Act of 1986 authorizes the issuance of bonds for the purpose of financing a grant program to counties, cities, and districts on the basis of their populations, as provided, for neighborhood, community, and regional parks, among other things. The act requires the applicant to agree that the property acquired or developed with these funds be used only for the purposes for which the funds were requested and that no other use of the property be used unless permitted by a specific act of the Legislature.*

*Existing law generally provides that a recreation and park district may acquire any real or personal property within or outside the district, to hold, manage, occupy, or dispose of, as provided.*

*This bill would authorize the Bloomington Recreation and Park District to dispose of property used for park purposes at Ayala Park that was acquired with the grant ~~money~~, moneys from the above acts, subject to the acquisition of property of equal or greater recreation value, as approved by the Department of Parks and Recreation, and at no cost to the ~~state~~. state, as provided.*

*This bill would declare that it is to take effect immediately as an urgency statute.*
