MESSAGES FROM THE GOVERNOR**Veto Messages**

Governor's Office, State Capitol

July 21, 2017

To the Members of the California State Senate:

I am returning **Senate Bill 246** without my signature.

This bill would allow a homeowner granted an initial base-year property tax valuation transfer claim due to disability to make a second base-year value transfer after they reach the age of 55.

I believe this bill would allow an already generous property tax benefit to be granted a second time on a larger scale. It is not prudent to authorize legislation such as this that would result in unknown long-term costs to the General Fund.

Sincerely,

EDMUND G. BROWN JR., Governor

Above bill ordered to unfinished business.

Governor's Office, State Capitol
July 21, 2017

To the Members of the California State Senate:

I am returning **Senate Bill 506** without my signature.

This bill requires the Department of Fish and Wildlife (Department) to upgrade its Lake and Streambed Alteration Program website and post any documents created for informational, guidance, or regulatory purposes on the website by December 31, 2018.

The Department is beginning a rulemaking process on the Lake and Streambed Alteration Program and the bill, as currently written, is premature.

I am directing the Department to update its website to reflect the new guidance, once the regulations are complete.

Sincerely,

EDMUND G. BROWN JR., Governor

Above bill ordered to unfinished business.

Receipt of Bills

I acknowledge receipt this 21st day of July, 2017 at 2:09 p.m., of the following Senate Bills without the Governor's signature, together with statements of his objections thereto, signed by the Governor, delivered to me personally by Michelle Livingstone:

SB 246

SB 506

BERNADETTE MCNULTY
Acting Secretary of the Senate

Governor's Office, State Capitol
July 24, 2017

To the Members of the California State Senate:

I am returning **Senate Bill 644** without my signature.

This bill authorizes a court to impound a boat for up to 30 days in boating under the influence cases if the owner is convicted and the conduct resulted in the unlawful killing of a person.

Boating under the influence is a very troubling crime which exposes the public to grave danger. However, especially in cases where this conduct resulted in an unlawful killing, a defendant will be exposed to very serious criminal and civil liability, including potentially years in prison depending on the circumstances. I do not see the need, in these tragic but narrow instances, to additionally expand the powers of government to impound private property as an added punitive measure.

Because this bill will not act as a deterrent, and existing criminal and civil penalties are sufficient to address the conduct contemplated, I am returning this measure without my signature.

Sincerely,

EDMUND G. BROWN JR., Governor

Above bill ordered to unfinished business.

Receipt of Bills

I acknowledge receipt this 24th day of July, 2017 at 8:43 p.m., of the following Senate Bill without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Daniel Gutierrez:

SB 644

BERNADETTE MCNULTY
Acting Secretary of the Senate
