PRAYER

Prayer was offered by the Chaplain, Sister Michelle Gorman, RSM:

As you bring this session to a close, we pray in gratitude for the works you have accomplished. I invite you to relax with this human kindness meditation, which is, first of all, directed to yourself:

Feel compassion for yourself as you say the following silently:

May I be healed!

May my heart open with kindness and peace!

May I be filled with the spirit of loving kindness!

May I be whole!

Now call to mind your staff who have assisted you this year. Hear yourself saying to them:

May you be healed!

May your heart open with kindness and peace!

May you be filled with the spirit of loving kindness!

May you be whole!

Finally, open your heart in a special way to all your constituents, and let your compassion expand even to our whole country and world, as you say:

May all beings be healed!

May all beings be happy!

May all beings be touched and healed by the force of human kindness!

May the power of our heart, our goodness, our love, and our legislation bring healing to all.—AMEN.

August 30, 2018

Mr. Daniel Alvarez
Secretary of the Senate

Re: SB 970 (Atkins) Intent

Dear Mr. Alvarez: I have authored SB 970, which ensures that hotel and motel employees receive training to recognize the signs of human trafficking and report those signs to law enforcement. I submit this letter to the Senate Journal for the purposes of clarifying the intent of SB 970.

SB 970 clearly and deliberately exempts bed and breakfast inns under subdivision (a) of Section 12950.3. However, the reporting requirement in subdivision (e) of Section 12950.3 does not properly reflect this exemption, which is not the intent of the bill.

Should this legislation be signed into law, it is my intent to work with the appropriate policy committees to correct the language in subdivision (e) of Section 12950.3 in order to reflect the intent stated above.

Thank you for the opportunity to clarify this intent.

Warmest regards,
TONI G. ATKINS
President pro Tempore of the Senate

UNANIMOUS CONSENT TO PRINT IN JOURNAL

Senator De León asked for, and was granted, unanimous consent that the following letter be printed in the Journal:

August 30, 2018

Mr. Daniel Alvarez
Secretary of the Senate

RE: Letter to Senate Daily Journal on SB 100

Dear Mr. Secretary: I am writing to request that the following letter be entered into the Senate Daily Journal.

This letter is to clarify my intent of my SB 100.

First, it is my intent that the third sentence of new Public Utilities Code Section 454.53 be applied to the entirety of subdivision (a). Stated more clearly, it is my intent that the prohibition against any resource shuffling and increase in greenhouse gas emissions in the western grid in Section 454.53 should be implemented by state agencies in a manner that does not run afoul of the Dormant Commerce Clause of the United States Constitution or other applicable laws.

Second, SB 100 has two separate, but inter-related, provisions. First, it accelerates the 2030 Renewable Portfolio Standard (RPS) target from 50% to 60%, and further accelerates interim targets in the intervening years (the “RPS” portion).

Separately, and relevant to this letter of clarification, SB 100 establishes a new target that eligible renewable *and* “zero-carbon” generating facilities supply all electricity procured to serve California end-use customers no later than December 31, 2045 (the “zero-carbon” portion).

Consistent with this purpose, the zero-carbon portion of SB 100 is intended to be more inclusive than the RPS portion in terms of the types or resources that are eligible. Specifically, that portion is intended to be inclusive of all zero-carbon resources, including RPS eligible resources and existing zero-carbon resources serving California customers. That portion of the bill is technology neutral—if an energy generation resource does not produce greenhouse gas emissions, it would be eligible to meet the 100% renewable and zero-carbon target.

SB 100 does not seek to require retail sellers of electricity to default on existing contractual obligations to deliver electricity to California customers from existing zero-carbon generation facilities.

On July 18, 2017, I accepted an amendment offered by the Assembly Utilities and Energy Committee to strike a provision that expressly included existing nuclear generation facilities such as Palo Verde in the zero-carbon portion. This amendment, according to the Committee analysis, was intended to reinforce the broader planning goal of SB 100, and to avoid being too prescriptive at this early date. The amendment was not intended to suggest elimination of existing zero-carbon generation from the 40% portion of SB 100. Accordingly, the amendment was appropriate in ensuring that the original intent of including all existing zero-carbon generating facilities serving California customers was realized.

Thank you for this opportunity to clarify the intent of SB 100.

Sincerely,
KEVIN DE LEÓN
Senator, 24th District

UNANIMOUS CONSENT TO PRINT IN JOURNAL

Senator Lara asked for, and was granted, unanimous consent that the following letter be printed in the Journal:

August 31, 2018

Mr. Daniel Alvarez
Secretary of the Senate
Re: SB 1402 (Lara)

Dear Mr. Alvarez: This Legislature enacted Senate Bill 1402, which I authored. The goal of this legislation is to address violations of state labor and employment laws in the port drayage industry. I submit this letter to the Senate Journal for the purpose of clarifying the intent of this measure.

It is the intent of the Legislature that the Division of Labor Standards Enforcement list of port drayage motor carriers posted pursuant to Section 2810.4(b)(1) would be effective the fifth day of the month so that customers using port drayage motor carriers would only have to check the list once a month.

It is the intent of the legislation that any port drayage motor carrier that provides port drayage services to a customer, as defined, shall furnish written notice of any unsatisfied final judgments against the motor carrier for labor and employment violations listed in the bill. It is the intent that this notice be provided to each customer in the supply chain, including subcontracting carriers, brokers, freight forwarders, and retailers.

Thank you for the opportunity to clarify this matter.

Sincerely,
RICARDO LARA
Senator, 33rd District

UNANIMOUS CONSENT TO PRINT IN JOURNAL

Senator Jackson asked for, and was granted, unanimous consent that the following letter be printed in the Journal:

August 31, 2018

The Honorable Toni Atkins
President pro Tempore of the Senate

Re: Letter to the Journal, Senate Bill 1300 (Jackson)

Dear Senator Atkins: I would like to request that this letter be printed in the Senate Daily Journal regarding Senate Bill 1300. SB 1300 is a measure intended to combat harassment and discrimination in the workplace by closing legal loopholes and strengthening protections under the Fair Employment and Housing Act (FEHA).

I wish to clarify that Section 4 of the bill, adding Section 12964.5 to the Government Code, is not intended to apply to negotiated severance agreements. Under this Section, the bill states that it is “an unlawful employment practice for an employer, in exchange for a raise or bonus, or as a condition of employment or continued employment,” to require an employee to sign a release of a claim or a non-disparagement agreement, as defined. The language “as a condition of employment or continued employment” is intended to mean the employee is required to sign the agreement in order to get or keep a job.

Sincerely,
HANNAH-BETH JACKSON
Senator, 19th District

MOTIONS, RESOLUTIONS AND NOTICES
UNANIMOUS CONSENT TO PRINT IN JOURNAL

Senator Bradford asked for, and was granted, unanimous consent that the following letter be printed in the Journal:

August 31, 2018

Mr. Daniel Alvarez
Secretary of the Senate

Re: SB 1412 (Bradford): Applicants for employment: criminal history

Dear Mr. Alvarez: I have authored SB 1412, which is intended to address situations where employers rely on a job applicant’s criminal history information to make a hiring decision when that information is (1) unrelated to the job in question and (2) has been judicially dismissed. This practice is counterproductive to important societal goals relating to rehabilitation and reintegration. Furthermore, it creates unfair barriers to employment for candidates that are fit and qualified for the positions they seek, and employers suffer when overly broad exclusions limit their ability to hire the best candidate for the job.

As I have said consistently throughout the legislative process, SB 1412 is not intended to prevent or impact the important and sensitive screening work needed to be conducted by financial institutions in their hiring processes. In addition to the statements I have made, I have also taken several amendments to ensure this result. I want to formally and explicitly state here that this bill clearly allows financial institution employers to seek, receive, and review background checks provided by, for example, the Federal Bureau of Investigation, the California Department of Justice, or private background check providers in accordance with current laws and regulations. Those reports will at times necessarily include criminal history information about the applicant that is beyond the scope of what the employer may consider in an employment decision. In these situations,

where the employer lawfully obtains a criminal history report about the applicant, the employer will be in compliance with SB 1412 so long as the employer does not consider any beyond-the-scope criminal history information contained in the report. It is not my intent to put financial institution employers in conflict with their existing obligations under federal, state, and local law regarding the proper vetting of prospective employees.

Thank you for the opportunity to clarify these matters.

Sincerely,
STEVEN BRADFORD
Senator, 35th District

**MOTIONS, RESOLUTIONS AND NOTICES
UNANIMOUS CONSENT TO PRINT IN JOURNAL**

Senator Glazer asked for, and was granted, unanimous consent that the following letter be printed in the Journal:

August 31, 2018

Mr. Daniel Alvarez
Secretary of the Senate

Re: SB 452 (Glazer) The California Beverage Container Recycling and Litter Reduction Act.

The Legislature recently passed Senate Bill 452, which makes a number of revisions to the Beverage Container Recycling and Litter Reduction Act. I submit this letter to the Senate Journal for the purposes of clarifying the intent of this measure.

SB 452, among other things, adds Section 14581 (a) (2) (B) to the California Public Resources Code to provide as follows:

“The department may withhold payments to curbside programs and neighborhood dropoff programs in any city, county, or city and county that has prohibited the siting of a certified recycling center, caused a certified recycling center to close its business, or adopted a land use policy that restricts or prohibits the siting of a certified recycling center within its jurisdiction.”

This provision is intended to authorize CalRecycle to withhold payment to a local agency curbside program where that same local agency also prohibits the siting of a certified recycling center.

It was brought to my attention, after the amendment deadline, that under this language CalRecycle might also withhold payment to a curbside program run by a private sector solid waste enterprise that has no jurisdiction over the siting or operation of certified recycling centers.

It is not the intent of the Legislature, under SB 452, to authorize CalRecycle to withhold payment to a curbside program run by a private sector solid waste enterprise.

Therefore, I am asking that CalRecycle not exercise its authority under this bill to withhold payments to a curbside program run by a private sector solid waste enterprise.

Thank you for the opportunity to clarify these matters.

Sincerely,
STEVEN M. GLAZER
Senator, 7th District

UNANIMOUS CONSENT TO PRINT IN JOURNAL

Senator Jackson asked for, and was granted, unanimous consent that the following letter be printed in the Journal:

August 30, 2018

Mr. Daniel Alvarez
Secretary of the Senate
Re: SB 1260 (Jackson)

Dear Mr. Alvarez: I have authored SB 1260, an omnibus fire prevention and forestry management bill that will promote long-term forest health and wildfire resiliency. I submit this letter to the Senate Journal for the purpose of clarifying my intent in SB 1260.

The last set of amendments to this bill, adopted on August 24, 2018, removed a prohibition for any air district to issue permits in a county with a population of more than 6 million for the purpose of disposing of agricultural waste or wood waste. This change in the law would only affect the County of Los Angeles within the South Coast Air Quality Management District (SCAQMD). It is my intent that this provision allow the use of mechanized burners such as curtain burners in the County of Los Angeles in order to reduce fuel loads and prevent wildfires, not to authorize or have any other impact on SCAQMD's ability to permit open agricultural burning.

Thank you for the opportunity to clarify this matter.

Sincerely,
HANNAH-BETH JACKSON
Senator, 19th District

Senator Hueso asked for, and was granted, unanimous consent that the following letters be printed in the Journal:

August 31, 2018

Mr. Daniel Alvarez
Secretary of the Senate

Re: Letter of Intent for the Senate Journal—Senate Bill 1440

Dear Mr. Alvarez: The purpose of this letter is to express my intent as the author of Senate Bill 1440, pertaining to biomethane procurement. For any biomethane procurement goals and targets adopted pursuant to SB 1440, my intent is to ensure that the California Public Utilities does not create an unfair competitive advantage for regulated gas corporations over non-regulated biomethane developers or vendors. Additionally, my intent is to ensure that any procurement goal or target adopted for landfill gas will decline over time.

For the benefit of interested parties, I submit this letter to the Senate Journal.

Sincerely,
BEN HUESO
Senator, 40th District

August 31, 2018

Mr. Daniel Alvarez
Secretary of the Senate

Re: Letter to the Journal Relating to SB 1358 (Hueso)

Dear Secretary Alvarez: As the author of SB 1358, I would like to take this opportunity to state my intent in proposing changes to procedural matters before the California Public Utilities Commission (CPUC or Commission).

Section 3 of my bill amends Public Utilities Code Section 1701.3, and in particular, seeks to amend subsection (h)(6) relating to quiet periods where oral or written ex-parte communications are prohibited. These changes to law seek to clarify when those quiet periods can be established. My intent behind these changes is to allow the CPUC to impose quiet periods for up to three days before the Commission takes a vote on a proposed decision or alternate decision.

It came to my attention after the amendment deadline that there may be some confusion based on sentence structure with respect to subsections (6)(B) and (6)(C) of Section 1701.3. It is my intent to allow the CPUC to establish quiet periods after a proposed decision is issued for a period of time up to three business days preceding a vote by the Commission. If I had time to present amendments to the bill I would have proposed including the language in subsection (6)(C) in subsection (6)(B) rather than appear as a stand-alone subsection thereby creating some level of confusion.

I further intend to work with interested parties to address this situation in the 2019–20 Legislative Session.

Sincerely,
BEN HUESO
Senator, 40th District

MOTIONS, RESOLUTIONS AND NOTICES
UNANIMOUS CONSENT TO PRINT IN JOURNAL

Senator Atkins asked for, and was granted, unanimous consent that the following letters be printed in the Journal:

August 29, 2018

Mr. Daniel Alvarez
Secretary of the Senate

Dear Mr. Secretary: I request that the following three letters regarding the Metropolitan Water District's (MWD) rate structures and cost allocations associated with the WaterFix Delta Tunnels Project be printed in the Senate Daily Journal: 1) the letter dated August 23, 2018, from Karla Nemeth, Director of the Department of Water Resources (DWR) to Jeffrey Kightlinger, General Manager of MWD; 2) the letter dated August 27, 2018 from me to Jeffrey Kightlinger, General Manager of MWD; and 3) the letter dated August 27, 2018 from Jeffrey Kightlinger, General Manager of MWD to me.

Together, these three letters directly address concerns raised by ratepayers and water districts that would be affected by decisions made regarding rates related to the design, construction and operation of the WaterFix Delta Tunnels Project. In printing the letters, members of the Legislature, the Administration and the public can have confidence that any rates associated with WaterFix will be fair and equitable to ratepayers not only in the San Diego region, but in the MWD service area.

From the 8-23-2018 letter from Karla Nemeth to Jeffrey Kightlinger:

MWD has publicly noted that it will be engaging in an open, public process to study and determine the necessary changes to the allocation of this separate WaterFix cost. As the Director of DWR, I have no desire to reach into the financial practices of your Agency or any of DWR's water contractors. Each successfully maintained its financial viability in providing water to some portion of 26 million Californians and approximately 750,000 acres of farmland without state direction. However, in the interest of transparency and as the Director of the department undertaking WaterFix, I am requesting two things with regard to your studies. First, that it be undertaken and completed for public review as part of MWD's 2020 rate setting cycle. Second, that MWD provide me with the opportunity to review and comment on the cost of service study you will be undertaking. As MWD is the largest state water contractor, and the largest urban water wholesaler in the state, knowledge about your cost allocation process and my ability to clearly convey that information to the Governor, the Legislature, and the public is vital.

From the 8-27-2018 letter from Jeffrey Kightlinger to Senator Atkins:

First, state law applicable to Metropolitan's rates calls for rates to be reasonable. Second, Metropolitan's own enabling Act requires rates to be uniform for like classes of service. Metropolitan has one class of customers who pay the same rates and charges for the same service.

Generally, State Water Project costs are divided between “conservation” or supply for those system features that facilitate water supply, such as Oroville Reservoir, and “transportation” for those system features involved in conveying water, such as the California Aqueduct, and some costs have dual purposes. All of Metropolitan’s member agencies pay for both supply and transportation costs associated with the State Water Project.

Recently, the Department of Water Resources announced that it will assess a separate and distinct charge for California WaterFix rather than assign or divide costs between conservation and transportation, leaving it to each State Water Contractor to allocate costs within their own rate structure. As a result, Metropolitan committed to performing a cost-of-service study to determine the appropriate allocation of costs within our rate structure. The purpose of the cost of cost-of-service study is to ensure costs reasonably reflect the purpose and benefits of the project. Therefore, while we cannot advantage one member agency over our 25 other customers, no agency will be disadvantaged either.

When the Metropolitan Board of Directors voted to support and invest in California WaterFix, we estimated the average monthly cost to be roughly \$5/household throughout our six- county service area, depending on how much an agency relies on Metropolitan as a water resource. This includes the San Diego region.

Metropolitan is committed to a transparent, public process for its budget and rate-setting. You have my personal assurance that every Metropolitan member agency will be treated fairly in this process.

Thank you in advance for your consideration of this request.

Warmly,
TONI G. ATKINS
President pro Tempore of the Senate

August 23, 2018

*Mr. Jeffrey Kightlinger, General Manager
Metropolitan Water District of Southern California*

Dear Mr. Kightlinger: Recently I have received questions from members of the California Legislature, and have had concerns expressed to me by Senate President pro Tempore Toni Atkins, about the future cost impacts of the California WaterFix project (WaterFix). Specifically, concerns about the cost impacts to the ratepayers of water agencies that purchase water from urban water supply wholesalers such as the Metropolitan Water District of Southern California (MWD). I would like your assistance in assembling information that can address these concerns and can provide confidence in the process to be undertaken to allocate costs.

As you know, the Department of Water Resources (DWR) and the 29 public water agencies that pay for the operation, maintenance, and construction of the State Water Project (SWP) have begun the process to draft a contract amendment to allocate costs of the WaterFix among the user, and that the WaterFix costs will be charged separate from existing SWP billing charges. Among the concerns expressed is that urban water

supply wholesalers charge customers equitably, to ensure that impacts to all ratepayers are minimized.

MWD has publicly noted that it will be engaging in an open, public process to study and determine any necessary changes to the allocation of this separate WaterFix cost. As the Director of DWR, I have no desire to reach into the financial practices of your Agency or any of DWR's water contractors. Each successfully maintained its financial viability in providing water to some portion of 26 million Californians and approximately 750,000 acres of farmland without state direction. However, in the interest of transparency and as the Director of the department undertaking WaterFix, I am requesting two things with regard to your studies. First, that it be undertaken and completed for public review as part of MWD's 2020 rate setting cycle. Second, that MWD provide me with the opportunity to review and comment on the cost of service study you will be undertaking. As MWD is the largest state water contractor, and the largest urban water wholesaler in the state, knowledge about your cost allocation process and my ability to clearly convey that information to the Governor, the Legislature, and the public is vital.

I look forward to working with you as we move forward on WaterFix. Your transparent process will go a great distance to ensure the public has all the facts and can be assured that costs are equitably allocated. I look forward to working with you on this issue, and this important water reliability project.

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me.

Sincerely,
CINDY MESSER for
KARLA A. NEMETH
Director, Department of Water Resources

August 27, 2018

*Mr. Jeffrey Kightlinger, General Manager
Metropolitan Water District of Southern California
VIA EMAIL*

Dear Mr. Kightlinger: I was provided a copy of the attached letter sent by Karla Nemeth, Director of the Department of Water Resources, regarding the Metropolitan Water District's (MWD's) rate structures and cost allocations associated with the WaterFix Delta Tunnels Project.

I've watched with interest and some concern the discussions among the MWD and its member agencies on cost issues in general, and specifically about potential cost impacts on San Diego County Water Authority (CWA) ratepayers. CWA water users already pay some of the highest rates in the state, in part because they are paying for local water supply reliability projects such as the City of San Diego's Pure Water project and the Carlsbad desalination plant that take pressure off the Bay Delta and State Water Project to provide a significant amount of water to my region.

It is my understanding that the MWD has committed in writing to the CWA that it will ensure that any rates associated with WaterFix will be fair and equitable to ratepayers in the San Diego region. In particular, MWD has given assurances that it will not impose excessive so-called "transportation" (wheeling) costs for moving water into San Diego. I appreciate that, but I would feel more comfortable knowing what formula will be used to determine what the cost will be to CWA ratepayers. The MWD has said that the cost will be approximately \$5 per month per household, consistent with what other members of the MWD will be paying. The CWA, concerned about what additional charges may be added to the CWA rate in addition to those paid by the MWD members, has said that the cost will be approximately \$20 per month per household.

At this point, the Department of Water Resources cannot guarantee what cost formula will be used to determine costs for San Diego County Water Authority ratepayers other than to say that it will be an open and public process; that it will be "undertaken and completed for public review as part of MWD's 2020 rate setting cycle," and that MWD provide Ms. Nemeth with, ". . . the opportunity to review and comment on the cost of service study. . . ." She has also committed to conveying the information she receives to the Governor, the Legislature and the public.

I am not requesting that the MWD tell me what the rate will be for CWA ratepayers. I am requesting that you share what formula or cost elements will be considered when determining that monthly cost. I agree that you must complete the Cost of Service Study to determine the ultimate cost but you know, or should know, what cost elements will be considered. It would be helpful to know if there are any cost elements that will be assessed to CWA ratepayers that will not be allocated to other members of the MWD.

I recognize, as Ms. Nemeth's letter notes, that the MWD will not take up the issue of rates until the 2020 ratemaking cycle in two years. I also believe that the MWD will conduct a fair, open and transparent process where my constituents may have their views heard when it undertakes its ratemaking process. However, I would like your personal assurance in writing so that I may provide some certainty, and a measure of relief, to my constituents and water ratepayers that they will not be dealt with dissimilarly to how other ratepayers within the MWD service area are assessed.

I look forward to your response to this request no later than Tuesday, August 28th, as we work together to ensure that southern California water users within the MWD service area are assured an adequate supply of water now and in the future, and fair and equitable rates. The success of the California WaterFix hangs in the balance.

Warmly,
TONI G. ATKINS
President pro Tempore of the Senate

The Honorable Toni G. Atkins
President pro Tempore of the Senate

Re: Response to Your Letter of August 27, 2018

Dear Senator Atkins: Thank you for your August 27 letter inquiring about rates and charges associated with Metropolitan's investment in California WaterFix. I appreciate the opportunity to clarify how Metropolitan sets its rates in a fair and equitable manner that treats all of its 26 customers uniformly.

First, state law applicable to Metropolitan's rates calls for rates to be reasonable. Second, Metropolitan's own enabling Act requires rates to be uniform for like classes of service. Metropolitan has one class of customers who pay the same rates and charges for the same service.

Generally, State Water Project costs are divided between "conservation" or supply for those system features that facilitate water supply, such as Oroville Reservoir, and "transportation" for those system features involved in conveying water, such as the California Aqueduct, and some costs have dual purposes. All of Metropolitan's member agencies pay for both supply and transportation costs associated with the State Water Project.

Recently, the Department of Water Resources announced that it will assess a separate and distinct charge for California WaterFix rather than assign or divide costs between conservation and transportation, leaving it to each State Water Contractor to allocate costs within their own rate structure. As a result, Metropolitan committed to performing a cost-of-service study to determine the appropriate allocation of costs within our rate structure. The purpose of the cost-of-service study is to ensure costs reasonably reflect the purpose and benefits of the project. UNANIMOUS CONSENT TO PRINT IN JOURNAL

Senator Lara asked for, and was granted, unanimous consent that the following letter be printed in the Journal:

August 31, 2018

Mr. Daniel Alvarez
Secretary of the Senate
Re: Senate Bill 244

Dear Mr. Alvarez: The Legislature recently passed Senate Bill 244, which I authored during the 2018 regular session of the California Legislature to protect the personal information of all individuals that is collected or obtained by state and local agencies for administration of public programs.

It is the intent of the Legislature that SB 244 not be interpreted to prevent any provider of health care, as defined in Section 56.05 of the Civil Code, from collecting information to assess or treat the mental or physical well-being of a patient. In addition, SB 244 shall be interpreted in conjunction with the disclosures expressly authorized by health care providers under state or federal health information privacy laws, including, but not limited to, the Confidentiality of Medical Information Act (Part 2.6 (commencing with Section 56) of Division 1 of the Civil Code) and Sections 5328 through 5329 of the Welfare and Institutions Code.

Additionally, this letter also seeks to clarify that under SB 244, Section 17852 of the Welfare and Institutions Code is intended to be codified within Part 5.8 of Division 9, relating solely to health care and related public benefits provided by cities, counties and local hospital districts. SB 244 is not intended to prohibit or limit the ability of state law enforcement, pursuant to a criminal investigation, to otherwise lawfully obtain or access any personal information, including personally identifying information, in the possession of the state or a city, county, or local hospital district. Sections (c) and (d) are not intended to prohibit or limit the activities permitted under Sections (a) and (b), as specified. Sections (a) and (b) permit the matching and collection and use of individual-level data for individuals served by one or more programs to achieve the purposes set forth under (a) and (b).

Sincerely,
RICARDO LARA
Senator, 33rd District

MOTION TO REFER MEASURES TO INACTIVE FILE

Senator McGuire moved that **AB 2217** be ordered to the inactive file.
Motion carried.

MOTION TO WITHDRAW AND PLACE ON FILE

Senator Monning moved that **SB 1235** be withdrawn from the Committee on Banking and Financial Institutions and ordered to unfinished business.

Parliamentary Inquiry

Senator Bates arose to the following parliamentary inquiry:

How can a bill that was failed in committee be brought back to the Floor for a vote?

Response of the Presiding Officer

The Presiding Officer responded that the committee's action is a recommendation, and the Body has the right to reject or adopt that recommendation. Senator Monning is requesting that the committee's recommendation be rejected.

Parliamentary Inquiry

Senator Bates arose to the following parliamentary inquiry:

Is this a rule that can be cited?

Response of the Presiding Officer

The Presiding Officer responded that a citation will be provided.

Roll Call

The roll was called and the motion carried by the following vote:

AYES (26)—Senators Allen, Atkins, Beall, Bradford, De León, Delgado, Dodd, Galgiani, Glazer, Hernandez, Hertzberg, Hill, Hueso, Jackson, Lara, Leyva, McGuire, Mitchell, Monning, Pan, Portantino, Roth, Skinner, Stern, Wieckowski, and Wiener.

Re: Letter to the Journal Clarifying Intent on Senate Bill 765

Dear Mr. Alvarez: This letter is to explain the intent of Section 1 of SB 765.

Section 8698.4 (B) (4) as amended by Section 1 of SB 765 would provide that the California Environmental Quality Act does not apply to actions taken by a state agency or local government to lease, convey, or encumber land owned by a city, county, or city and county, or to facilitate the lease, conveyance, or encumbrance of land owned by a city, county, or city and county, for, or to provide financial assistance to, a homeless shelter constructed or allowed pursuant to these provisions.

Specifically, it is the intent of this provision to provide a narrowly tailored exemption for non-land use discretionary actions taken by cities to allocate state and local resources to finance emergency shelter projects, as well as for discretionary actions to encumber city owned land, including the construction and operation of projects.

California is facing a severe housing and homeless crisis and this bill will facilitate the expeditious construction and approval of homeless shelters by cities while still ensuring land use decisions receive appropriate environmental review.

Sincerely,
SCOTT WIENER
Senator, 11th District

UNANIMOUS CONSENT TO PRINT IN JOURNAL

Senator Allen asked for, and was granted, unanimous consent that the following letter be printed in the Journal:

August 31, 2018

Mr. Daniel Alvarez
Secretary of the Senate

Dear Mr. Alvarez: As the author of SB 1335, which requires all foodservice packaging provided at state parks, beaches, and other state facilities to be reusable, compostable, or recyclable, I am submitting this letter to the Senate Journal to clarify my intent with regards to paragraph (e) of Section 42370.2 of the bill.

It is my intent in passing this bill that all compostable foodservice products be covered in this legislation, regardless of what they are made from, and that the finished products shall be considered compostable only if they meet the criteria contained in the provisions advising CalRecycle in developing the list of approved foodservice ware.

Sincerely,
BEN ALLEN
Senator, 26th District

MOTIONS, RESOLUTIONS AND NOTICES
UNANIMOUS CONSENT TO PRINT IN JOURNAL

Senator Stern asked for, and was granted, unanimous consent that the following letter be printed in the Journal:

August 31, 2018

Mr. Daniel Alvarez
Secretary of the Senate

Dear Mr. Alvarez: I have authored Senate Bill 1487, the Iconic African Species Protection Act, to strengthen efforts to conserve eleven imperiled African animal species. Specifically, SB 1487 bans the possession of dead African animals specified in the measure, including parts thereof, which were brought to the state after January 1, 2019.

I submit this letter to the Senate Journal for the purpose of clarifying the intent of two aspects of this measure. First, under SB 1487, the burden of proof of a violation remains on the state, including the date of possession of the dead animal or animal part. Nothing in this measure is intended to shift the burden of proof onto the owner of the dead animal or animal part. In Section 2351 (c) (2), SB 1487 suggests, but does not limit, how a person may evidence when they were in possession of the article, but the burden of proof remains on the state, regardless.

Second, the intent of this bill is not to ban the possession of *de minimis* parts of the specified species.

Thank you for the opportunity to clarify this matter.

Sincerely,
HENRY STERN
Senator, 27th District

UNANIMOUS CONSENT TO PRINT IN JOURNAL

Senator Skinner asked for, and was granted, unanimous consent that the following letters be printed in the Journal:

August 31, 2018

Mr. Daniel Alvarez
Secretary of the Senate

Dear Mr. Alvarez: The purpose of this letter is to clarify the intent of my bill, Senate Bill 782.

SB 782 amends Section 8380(a) of the Public Resources Code. Section 8380(a) confirms that the definition of energy consumption data includes “incremental monthly meter-specific energy consumption data.” The purpose of 8380 is maintained, protecting the privacy of customer energy usage information, including preventing utilities from selling customer energy usage data and restricting utilities from sharing customer energy usage data without customer consent.

These amendments do not modify or otherwise change exemptions contained in 8380(e). Nothing in section 8380(a) should be interpreted to change the protections afforded to utility customers in Section 8380.

Thank you for this opportunity to clarify my intent in SB 782.

Sincerely,
NANCY SKINNER
Senator, 9th District

August 29, 2018

Mr. Daniel Alvarez
Secretary of the Senate

Re: SB 1421 (Skinner)

Dear Mr. Alvarez: I submit this letter to the Senate Journal to clarify that, for the purposes of subparagraph (A) of paragraph (5) of subdivision (b) of Section 832.7 of the Penal Code, as proposed to be added by SB 1421, “witness” necessarily includes a whistleblower in a police misconduct case, whether a peace officer or civilian. Because these individuals are providing information about alleged misconduct, their identifying information must be redacted to preserve their anonymity in accordance with the goals of the bill.

Penal Code Section 832.7(b) (5), as proposed to be added by the bill, reads as follows:

(5) An agency shall redact a record disclosed pursuant to this section only for any of the following purposes:

(A) To remove personal data or information, such as a home address, telephone number, or identities of family members, other than the names and work-related information of peace and custodial officers.

(B) To preserve the anonymity of complainants and witnesses.

(C) To protect confidential medical, financial, or other information of which disclosure is specifically prohibited by federal law or would cause an unwarranted invasion of personal privacy that clearly outweighs the strong public interest in records about misconduct and serious use of force by peace officers and custodial officers.

(D) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the peace officer, custodial officer, or another person.

Thank you for the opportunity to clarify this matter,
NANCY SKINNER
Senator, 9th District
