Ms. Erika Contreras
Secretary of the Senate

RE: Implementation of AB 1054 of the 2019–2020 Regular Session

Dear Madam Secretary: As Senate co-authors of AB 1054, we request that the following letter be printed in the Senate Daily Journal expressing our intent with respect to this measure:

Implementation of AB 1054 should reflect a focus on enhanced grid resilience, including improvements in adaption of the grid to planned outages, unplanned outages caused by wildfires or other events and increased speed in recovering from service disruptions.

In particular, electrical corporations' strategies and programs implementing their wildfire mitigation plans under AB 1054 and existing law should prioritize grid hardening and community resilience projects in vulnerable communities. This focus on vulnerable communities should include consideration of medical baseline and critical infrastructure, including water pumps.

Under the provisions of this legislation and current law, the California Public Utilities Commission (CPUC), through the newly implemented Wildfire Safety Division, will oversee electrical corporation's compliance with their wildfire mitigation plans.

Each electrical corporation, in implementing the provisions of AB 1054, shall collaborate with the Office of Emergency Services, and local governments and other interested parties in its service-territory, to ensure that the applicable electrical corporation's wildfire mitigation plans and related expenditures are consistent with state and local community resiliency planning and projects to maximize overall community resiliency.

In implementing its wildfire mitigation plan consistent with the AB 1054, each electrical corporation shall ensure that its systems achieve the highest level of safety, reliability, and resiliency to be prepared for a major event, through investments such as hardening and modernizing its infrastructure with improved engineering, system design, standards, equipment, and facilities, including pilot programs for new technologies to enhance overall community resiliency.

The CPUC should coordinate investments in infrastructure made by electrical corporations consistent with their approved wildfire mitigation plans with investments in clean distributed energy resources.

Furthermore, the CPUC should ensure that the \$5 billion in safety investments made by the electrical corporations under AB 1054 prioritize projects consistent with the principles and objectives outlined in this letter.

In addition, AB 1054 creates a wildfire fund to pay claims from catastrophic wildfires. The legislation creates a California Catastrophe Response Council to oversee the fund and hire an administrator for the fund, and provides that the California Earthquake Authority (CEA) shall administer the fund until the Council is established and the fund administrator is retained.

Insurance Code Section 10089.7 provides statutory immunities from civil and criminal liability for employees, officers and agents of the CEA for any acts performed or omitted or obligation entered into an official capacity, when done or omitted in good faith and without intent to defraud.

AB 1054 extends these statutory immunities to employees, officers and agents in administering the newly created wildfire fund. The application of this provision is not intended to extend to financial institutions and advisors retained by the Department of Water Resources related to the issuance of any bonds issued under authority provided in AB 1054 or to any other entities or individuals beyond the employees, officers and agents of the Wildfire Fund.

Finally, it is our intention that, as to CPUC review of a public entity's acquisition of electrical or gas assets, the amendments in Public Utilities Code Section 854(a) modify existing law only to the extent necessary to assure that the CPUC review the impact of change of ownership on public utility employees, including union and non-union employees.

Thank you, in advance, for your consideration of this request.

Sincerely,

ROBERT HERTZBERG
Senate Majority Leader

BILL DODD
Senator, 3rd District
