*Gracious and loving God,* We gather again to continue the legislative work for the State of California. Inspire each Senator to remember daily all those who depend on just and fair legislation, always taking into consideration the needs of the most vulnerable persons in our society. Help all of us to be present to the challenges and opportunities of this moment.

We continue in the words of Jan Richardson:

Now, more than ever, let us be the ones who will not turn away.

Let us be the ones who will go farther into the wreck and deeper into the rubble.

Let us be the ones who will enter the places of devastation beyond belief and despair beyond our imagining.

And there let us listen for the Spirit that brooded over the formless darkness,

and there let us look again for the God who gathered up the chaos and began to create.

Let us be the ones who will give ourselves to the work of creating again and to the endless beginning of creation.—AMEN.

**COMMUNICATIONS AND PETITIONS**

The following letter was ordered printed in the Journal:

January 4, 2019

*The Honorable Toni G. Atkins  
President pro Tempore of the Senate*

Dear President pro Tempore Atkins: In November 2018, I was elected California Insurance Commissioner. Today, I offer my resignation from the Senate upon taking the oath of office for Insurance Commissioner.

It has been my greatest honor and privilege to serve the constituents of the 33rd Senate District and the people of California. This transition is the culmination of nearly 20 years of service in the Legislature as a staffer, Assembly Member, and now as a Senator. The Legislature has empowered women and working families, fought for equity and justice, expanded

access to healthcare, and created a state that is both an environmental and economic leader. Only in this great country, and this great state, could the son of immigrants become a State Senator, and now the 8th California Insurance Commissioner.

I have watched our Legislature grow more diverse and inclusive. As a member of the nation's largest LGBTQ Legislative Caucus I have helped our state move toward equality for all. I have been part of many "firsts," including voting for our first Latino President pro Tempore in more than a century and our first woman and LGBTQ President pro Tempore in California's history. I will always be proud of my part in helping to align our constitutional values with our legislative vision of working on behalf of all Californians.

California is the country's moral compass, and I thank my colleagues in the Senate and Assembly for your bold leadership. I will miss you and the staff that make the Legislature a special place. I leave with a heavy heart but knowing that the future of our state is in good hands. I look forward in my new role to continuing to work alongside our great Senate and Assembly and constitutional leaders to promote a fair and equitable state that serves everyone.

Sincerely,  
RICARDO LARA  
Senator, 33rd District
