PRAYER

Upon invitation of the President, the following prayer was offered by Senator Portantino, as written by the Chaplain, Sister Michelle Gorman, RSM:

At the beginning of the play, *A Raisin in the Sun*, Lorraine Hansberry uses Langston Hughes' poem "Harlem" as inspiration. Hughes wrote:

What happens to a dream deferred?

Does it dry up
like a raisin in the sun?

Or fester like a sore—
And then run?

Does it stink like rotten meat?

Or crust and sugar over—
like a syrupy sweet?

Maybe it just sags
like a heavy load.

Or does it explode?

("Harlem" in *The Collected Works of Langston Hughes* by Langston Hughes,
Harold Ober Associates, Inc., 2002.)

God of mercy and compassion, in the midst of far too many broken and deferred dreams, we ask for Your grace and courage to face the injustices of our time with integrity of word and deed, for the sake of the common good and the future of our society. We ask this in Your name.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Senator Monning led the Senate in the Pledge of Allegiance to the Flag.

UNANIMOUS CONSENT TO PRINT IN JOURNAL

Senator Mitchell asked for, and was granted, unanimous consent that the following letter be printed in the Journal:

June 26, 2020

Ms. Erika Contreras

Secretary of the Senate

Dear Ms. Contreras: I submit this letter to the Senate Journal for the purpose of clarifying the intent of SB 98, which was introduced to enact statutes relating to the 2020 Budget Act. Specifically, Section 34 of the bill addresses the ability of Local Educational Agencies (LEAs) to offer distance learning in the 2020–21 school year.

Section 34 of SB 98 intends to provide LEAs with flexibility in the manner in which K–12 instruction is provided to meet the needs of students, families, and the community during the COVID-19 Pandemic. While it is the intent of the Legislature that LEAs offer in-person instruction in 2020–21 to the greatest extent possible, Section 43503 of this

bill allows LEAs to offer distance learning under either of the following circumstances:

“(A) On a local educational agency or schoolwide level as a result of an order or guidance from a state public health officer or a local public health officer.

“(B) For pupils who are medically fragile or would be put at risk by in-person instruction, or who are self-quarantining because of exposure to COVID-19.”

Section 43503 subparagraph (2) of subdivision (a) refers to the need for LEAs to consult and collaborate with state or local public health officials in determining whether to offer distance learning for a particular site or LEA-wide, and to follow any related public health orders. This section is not intended to require an LEA to seek out or receive approval from a state or local public health officer prior to adopting a distance learning model. This section is also not intended to prevent an LEA from adopting a distance learning, hybrid, or mixed-delivery instructional model to ensure safety. Instead this section is intended to grant flexibility to an LEA to determine what instructional model the LEA will adopt during the COVID-19 Pandemic, taking into account the needs of their students and staff, and their available infrastructure, provided the model adheres to an applicable state or local public health order or guidance.

Also, this section refers to the circumstances by which an LEA may provide distance learning for individual students. The intent of this language is to allow LEAs to offer distance learning based on the unique circumstances of each student. The language makes allowances for medically fragile students, and those in self-quarantine, but also for those students who would be put at-risk by an in-person instructional model. The statute does not define “would be put at-risk by in person instruction” and as such, does not require an LEA to verify or make a determination that a request for this allowance meets a specific standard. This section contemplates that LEAs may provide distance learning to students with varying circumstances—whether the student has health conditions, family members with health conditions, cohabitates or regularly interacts with high-risk individuals, or is otherwise identified as “at-risk” by the parent or guardian.

As such, Section 43503 of SB 98 provides flexibility for LEAs to provide instruction in a way that reflects state and local public health needs, and respects the specific circumstances of individual students during the COVID-19 Pandemic.

Thank you for this opportunity to clarify the intent of SB 98.

Sincerely,
HOLLY J. MITCHELL,
Senator, 30th District

MESSAGES FROM THE GOVERNOR**Signing Messages**

Governor's Office, State Capitol
June 29, 2020

To the Members of the California State Senate:

I am signing **Senate Bill 98**, which provides schools with the resources and flexibilities necessary to provide quality public education during the COVID-19 pandemic. Among other things, this bill protects school funding from uncertainties caused by COVID-19, including for schools that offer distance learning to accommodate public health and safety conditions.

The fiscal protections offered to schools by this measure are predicated on new standards for distance learning that prioritize quality instruction for all students. The preferred method of instruction will always be in-person; students gain the most from the relationships developed through in-person interactions. However, it is the expectation of the state that if a school offers hybrid or mixed-delivery instructional models, it will do so through a framework of maximum teacher-student engagement, with plans in place

to ensure that no child falls through the cracks. This balance of flexibility for schools and instructional accountability is essential to navigate the COVID-19 pandemic while minimizing the impact of educational disruption on student learning.

While maintaining school funding at current levels allows for stability in the public education system, it does not take into account schools that had planned expansions. By not funding those expansions, families enrolled in those schools may be displaced, with impacts exacerbated by the uncertainties caused by COVID-19. I urge members of the Legislature to pursue targeted solutions to these potential disruptions, and will work with you in the coming weeks to enact them.

Sincerely,

GAVIN NEWSOM, Governor

Governor's Office, State Capitol
